

Farrington School COVID-19 Guidelines (Tier 3)

OVERVIEW

It is of the upmost importance that the health of our participants, coaches and the Farrington School community remains our top priority. With that being said, we have implemented the following COVID-19 guidelines to limit the risk of infection. The information in this document is not intended or implied to be a substitute for professional medical advice, diagnosis, or treatment.

PURPOSE

The purpose of these guidelines is to create a comprehensive and safe return-to-play plan for activities held at the Farrington School gym that are compliant with CDC, federal, state and local regulations. These activities include but are not limited to any volleyball clinics, events, etc.

GUIDELINES

1. Any participants or coach displaying COVID-19 symptoms will be prohibited from entering the gym.
2. Participants and coaches must bring a completed and signed **COVID-19 ILLNESS/HEALTH ASSESSMENT** form to each clinic or activity. No one is allowed to participate without a completed form.
3. Every participant will be required to check-in with a coach to do temperature checks prior to entering the gym.
4. Parents will not be allowed to watch the clinics or remain on school property and will be asked to drop off their child and exit the property immediately.
5. Clinic start and end times are staggered to minimize interaction between the groups.
6. Participants will arrive no earlier than 10 minutes prior to the assigned start time.
7. Doors have been designated specifically for entering and exiting the gym (see picture below).
8. Participants will enter the gym and place their bags and water bottles on the **floor** along the bleachers (see picture below). Participants will be required to bring to every clinic:
 - a. **Mask – to be worn at all times. With the exception of water breaks, anyone not wearing a mask will be asked to leave.**
 - b. Sanitizer – sanitize prior to the start of the clinic, at each water break and at the conclusion of the clinic.
 - c. Water – remain socially distanced when taking water breaks.
9. Participants will not be allowed to share water bottles and/or food items.
10. There will be no more than **10** participants on each court at any given time.
11. Participants will be allowed to use the restroom one at a time and will need to notify a coach.
12. Participants will notify a coach if at any time they do not feel well. They will be escorted by a coach outside the facility and their parents contacted for immediate pickup.
13. Parents will return to pick up their daughter no earlier than 10 minutes prior to scheduled end time and no later than 10 minutes after.
14. Coaches will use disinfectant foggers to sanitize the gym after the last clinic of the day.
